Summary Description:

The Company was established 7 years ago. It provides technical support to a professional niche market, which the company has cultivated to a loyal customer base. This business holds an impeccable service record and maintains an excellent reputation both in the field and in the professional niche it serves.

The two employees are the company's technicians, which are predominately in customer accounts. They have signed non-compete clauses, and appear to be happy with the organization. The financial information contained above only reflects the direct cost pertaining the "IT Support" segment of business. Rent, phones, and general administrative costs are not contained in the proforma above because all indirect expenses are in a common pool for all three businesses owned by the seller. Interested parties should be prepared to complete a buyer profile and a personal financial statement prior to obtaining additional information concerning this business.

General Information:

Facilities: Currently, this business shares its facilities with two other businesses that are also operated by the same owner.

Support/Training: Seller understands the importance of a smooth transition to a purchaser and will assist the purchaser in technical and customer matters.

Reason Selling: Seller operates two other businesses.

Year Established: 1999
